SHUTTER RANGE

Introducing our premium shutters, a brand-new collection of striking polysilk vinyl window shading offering functional styling with a contemporary flair.

Enhancing privacy without compromising on light control, Our shutters create a grandiosity of detail and dimension within the home whilst flaunting a striking statement from the outside.

Shutters create a neat structure to the window, acting as a firm barrier against unwanted elements. What's more, they will provide excellent light filtering throughout the summer and help insulate your home during winter.

They can help reduce noise levels for homes nestled within busy or built up areas and provide extra privacy, ensuring a peaceful environment all year round.

Whatever your style, traditional, contemporary, modern or country, transform your home today with our classical selection of made to measure frames and door styles to suit any room and interior.

FULL HEIGHT

Make a real style statement with full height shutters. Complete with tilting louvres and cleverly concealed handles, full height shutters deliver a superior and luxurious aesthetic to the home.

The versatility of full height shutters makes them a firm favourite. A charming and timeless design, this style is definitely a classic that brings with it an unmistakable air of opulence.

Full height shutters are an ideal option for your home and a great solution if you are looking for a little extra privacy. The louvres can be adjusted to suit your exact needs, offering daylight filtering whilst keeping your view private and your home secure. Should you prefer a full view, simply open the doors whenever you like.

A truly luxurious addition to any home's interior, full height shutters will totally transform your home.

TIER ON TIER

Tier on Tier shutters consist of two separate panels that move independently from each other allowing different levels of light and privacy.

An ideal solution to access upper windows whilst maintaining privacy in the lower section.

Tier on Tier shutters offer a subtle and chic design with all the options of light and privacy making them the ideal choice for bathrooms and kitchens. Boasting 100% water resistance and being easy to clean, their durability within the home is unmatched.

FULL HEIGHT

50mm RAIL

Full height shutters cover the entire window providing a great balance of light and privacy. The control wand is offset to the side for a cleaner modern look.

FULL HEIGHT

100mm RAIL WITH DIVIDER RAIL

Ensuring a practical touch, adding a divider rail means you can independently control the louvre direction on both the top and bottom sections.

FULL HEIGHT

DUPLEX

Duplex sections the shutter into groups of louvres. The groups can move independently, allowing additional control over different levels of light and privacy.

FRAME OPTIONS

Your shutter installer will advise you on the best option for your window taking into consideration structure, shape, window handles or any wall tiles. The choice of how the shutters will be fitted, for example in the recess, edge of recess or the outside recess will also be made to ensure you get the exact style you love.
